Cooperation by TermaCook GmbH unilaterally terminated

Dear business friend and partner,

quite surprisingly, at the end of last week, the cooktop manufacturer TermaCook (Haiger) unilaterally terminated our cooperation with immediate effect. We were not informed of the exact reasons for this decision.

This means for you as a valued customer of O+F Design GmbH that from now on no cooktops (with and without trough ventilation) of the manufacturer TermaCook can be ordered from us.

The spare parts supply is not affected by this.

With friendly and cooperative greetings
from the Niedersauerland and the Hönne town of Menden

Carsten Wille
